

AMIN RAHMANI

Address: 85 Westbourne Park Road, London | Postal code: W10 6JP

Email: amin.tesseract@gmail.com | Phone: +44 7490036127

ABOUT:

A Computer Science undergraduate (Foundation Year + 2 Years completed), finishing Year 3 in March 2026, I am seeking a Software / IT Internship between Year 3 and Final Year. Strong foundation in software engineering, web development, and IT systems, with proven experience working on high-performing group projects and delivering real-world software solutions. Hands-on experience building and deploying websites for many clients, with a strong interest in applying technical skills within an team based environment.

SKILLS:

Software & Programming / Database

- HTML, CSS, JavaScript
- PHP (backend fundamentals)
- SQL & relational database
- Object-Oriented Programming (OOP)

IT & Systems Knowledge

- Software development lifecycle (SDLC)
- System analysis & requirements gathering
- Debugging, testing, and troubleshooting
- Version control using Git & GitHub

AI & Computing Fundamentals

- Introduction to Artificial Intelligence concepts
- Basic Machine Learning principles
- Data handling & preprocessing fundamentals
- AI-powered application concepts (recommendation, automation, chat systems)
- Prompt design & AI-assisted development workflows

EXPERIENCE:

APRIL 2022 - PRESENT | Web Developer - Toptal

- **Developed multiple software-driven websites for real clients**
- **Built front-end interfaces and basic backend functionality**

Selected Project:

- <http://amin-fitness.com> – Full software lifecycle: planning, development, deployment, and ongoing maintenance

SEP 2024 - PRESENT | Head Bartender - Browns's Milton Keynes

- **Analytical thinking & problem-solving**, Quickly address any guest concerns, turning potential issues into positive experiences by empathizing and finding solutions.
- **A Team Player**, Collaborated with kitchen and service staff to keep things running smoothly. Pitch in with tasks like rolling silverware and food-running at times to help out during busy times.

EDUCATION & CERTIFICATES:

2023 - 2024 | University of Greenwich London

Computing Foundation Year - Pathway to Bachelors of Computing

2024 - Present | University of Greenwich London

Bachelor of Computing - Software Engineering

Certificates:

Complete **Python** Bootcamp / Complete **JS** Course / **React** Certificate / **SQL** Certificate
Emergency First Aid at Work / CIMSPA Level 2 and 3 Certificate in Personal Training
